EXPERIENCE

UX Researcher & Designer Operation Nightwatch
Seattle, WA | 08/2019 ~

+ Collaborating with a cross-disciplinary team to address prejudice towards the homeless in Seattle
+ Synthesized research insights in digestable ways
+ Independently designing a web application for storytelling and social connections from concept through delivery

UX Intern Paradoxes Inc.
Kirkland, WA | 06 - 08/2019

+ Assisted a team of consultants in an agile environment on UX deliverables for B2B clients, including Facebook
+ Leveraged and analyzed existing sources of data, such as interview transcripts, surveys, and best practices research

Teaching Assistant UW Information School
Seattle, WA | 09 - 10/2019

+ Lead a weekly one-hour session to teach students programming concepts in R for INFO 201
+ Graded weekly homework assignments spanning topics including version control (Github), remote repository management, data visualizations, and data analysis

Research Assistant UW Medical Center
Seattle, WA | 10/2018 ~

+ Conducting research through surveys, focus groups, and interviews to understand ethical responses when making life-changing decisions
+ Created and generated research plans, identifying goals, developing screening criteria, and submitting to IRB for review
